# Hidden Mount TekStrap™ Kit

TSH 2118B, TSH 2118MB,  
TSH 2118P, TSH 2118T

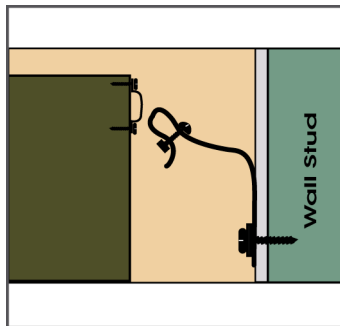

## PRODUCT FEATURES

- Ideal for wall fastening of bookcases, small appliances, etc.
- Poly-coated TekStraps™ are easy to clean
- Steel cleat bar screws to back of unit
- TekStraps™ are pre-punched for attachment to item and wall stud
- Strap can be detached for access to items for cleaning, servicing, etc.
- Available in black, brown, putty, and tan

Can be mounted on top or side of item

Easy to install

Kits include all hardware

This kit is ideal for securing small appliances or furnishings in because of the TekStrap's easy installation and removal.

The waterproof Poly-coated Nylon webbing makes cleaning the straps a breeze; making it ideal for clean room environments.

These restraints are virtually invisible, simply screw the strap into a wall stud and around the steel cleat bar screwed behind the object to be fastened.
