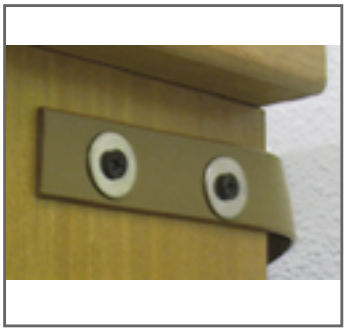
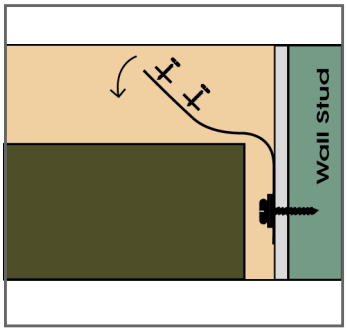
PRODUCT FEATURES

- *Ideal for bookcases, small appliances, etc.*
- *Screws to back of unit and to wall stud*
- *Special coated webbing is pre-punched for attachment to item and wall stud*
- *Strap can be detached for access to items for cleaning, servicing, etc.*
- *Ideal for labs or technical environments*
- *Available in black, brown, putty, and tan*
- *Kits include all hardware*





Screw-Mount TekStraps™ were designed with simplicity in mind and are the easiest to install and remove. The waterproof Poly-coated Nylon webbing makes cleaning the straps a breeze; making it ideal for clean room environments.

These restraints are virtually invisible, simply screw the strap into a wall stud and into the item being secured.
