TV Monitor 3 Way Fastening System

TV 2C3B, TV 2W3B

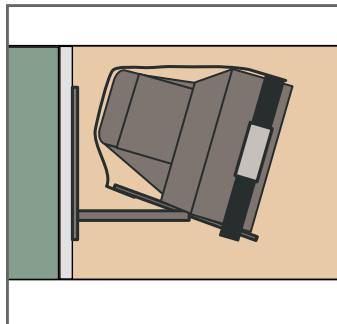

PRODUCT FEATURES

- Holds front and top heavy TV monitors in place
- Heavy Nylon strapping will not stretch
- "Quick-release" buckles for instant access
- Strap guides keep strap in place
- For TV monitors on carts or wall mounts
- Kits include all hardware

TV 2C3B
For fastening to a cart

TV 2W3B
For fastening to a wall mount

This 3-Way strap system is designed to provide proper fastening of large TV's (27" and above) on carts or on wall mounted stands.

Ideal for schools and hospitals to prevent TV from falling off of stand.

Special heavy-duty strap will not stretch or loosen and can be quickly disconnected for servicing.

We recommend our TV SwivelStrap™ (TV 2124) for smaller TV's (25" and under).

SPECIFICATIONS

- Straps: 2" Nylon 3-way restraint strap
- Strap Guides: 2" x 10" Aluminum
- Colors: B = Black

Kit includes screws, and alcohol pads.
